

# Birthday Books

Dear Parents,

We'd like to tell you about plans to celebrate each child's birthday. As you may know, we **are not allowed** to have any open, party-like, celebrations for birthdays. However, we have come up with a way to make each birthday special to all of the children. Each child will receive a birthday pencil, special birthday sticker and certificate! We then serenade the birthday boy or girl with a song. In addition to this, students can bring a special book to school to donate to our classroom library.

Here's how it works, you and your child can go to a store and pick out a book that he/she would like to donate to our class library. Keep in mind that the selection should be grade level appropriate. You might want to consider using some birthday wrapping paper, so that the book looks like a present, kids love this! **\*If your child's birthday happens to fall in the summertime, we will celebrate it in June.**

Thank you,
