

meet the TEACHER

Mrs. Megan Montz

Welcome to 2nd Grade!

I am pleased to welcome you to the 2025 - 2026 school year! I am looking forward to having your child as a student in Room 14. Second grade is such a fun year with so many wonderful learning activities to celebrate. In order to have a fun year, my most important goal is to create a family of learners in my classroom. I am committed to creating a classroom environment where your child is a valued, trusted, and integral part of our family of learners. In order to accomplish this, I have planned a variety of activities to emphasize and reinforce this goal. It is my hope that you will support and encourage this vision at home.

About Me

Hello! I am Megan Montz, and I've been a teacher at Robinson since 2014. I currently live in El Segundo with my husband Riley and our son Wesley. Riley and I are celebrating 10 years of marriage this September! Our son, Wesley, is turning 5 years old and starting TK at Center Street School in our hometown. He keeps us busy!

I attended both University of Oregon (GO DUCKS!) and National University. I received my Bachelors of Science in Psychology with an emphasis in Child Development, and a Masters Degree in Education, Best Practices. I am also a GATE certified teacher. I am bilingual and speak French, as I grew up attending French immersion school in Quebec.

Contact Me

I welcome and value parent involvement throughout the year. I would love to hear from you, and you are welcome to contact me with any questions, comments, or concerns you may have.
