

meet the TEACHER

Mrs. Scott

Welcome to 2nd Grade!

Welcome to an exciting new school year! I am absolutely thrilled to welcome you and your child to our 2nd grade class. This year will be filled with new adventures as we explore reading, writing, math, science, and more. Second grade is such a special year — a time when students become more confident in their abilities and begin to think more deeply about the world around them. I'm excited to watch each child grow both academically and socially throughout the year.

Our classroom will be a place where everyone feels safe, valued, and encouraged to be their best selves. I believe in building a strong community together — one filled with kindness, curiosity, and a whole lot of fun!

About Me

Hi there! I'm Mrs. Scott! I've had the joy of teaching Kindergarten, First Grade, and Fifth Grade, and I truly love being part of the learning journey at every stage. This is my tenth year teaching at Robinson, our beautiful little school by the beach.

I live in Manhattan Beach with my wonderful husband, Tony, our fun and sweet daughter, Madison, and our little dog, Mickey. We love spending time outdoors, running on the chip trail, and enjoying everything this amazing community has to offer.

Contact Me

I welcome and value parent involvement throughout the year. You are welcome to contact me with any questions, comments, or concerns you may have.
